

2004

Geospatial Technology Symposium
August 17-19, 2004
Henry B. Gonzalez Convention Center
San Antonio, TX

With August just a few months away, the 2004 Geospatial Technology Symposium is coming up fast! The CADD/GIS Technology Center received a lot of great abstracts resulting in an agenda that is both informative and fun! With all elements of geospatial technology covered in 2-1/2 days, there will be something for everyone!

REGISTRATION

If you haven't registered already, now is the time to do so! Hotels are filling up fast and there is a reduced rate on registrations until August 6, 2004. To register, please go to the Joint Services Environmental Management Conference registration site at <http://www.p2-hwmconference.com/attend.htm>. (Note: the 2004 Geospatial Technology Symposium will be sharing the Henry B. Gonzalez Convention Center in San Antonio with the JSEM Conference, the 2004 GeoBase Compass Conference & Exhibition, and the AFCEE Technology Transfer Workshop. Once registered for the Symposium, you can attend events at the other conferences). Only the primary presenter (for sessions with multiple presenters) will be permitted to register at the reduced Speaker rate.

Registration fees are as follows:

Category	Regular	Late
	Before August 6, 2004	After August 6, 2004

WORKSHOPS

Once again, Workshops will be available at the Symposium. These offer the chance for a more "in-depth" look at some of the technologies. These Workshops will be on a "first-come, first-served" basis. Some of the Workshops currently on schedule include:

- ▶ Overview of SDFSIE Tools
- ▶ Implementing the SDFSIE Geodatabases
- ▶ NGS Bluebook Processing
- ▶ Long-Range Real-Time Kinematic DGPS
- ▶ Advanced Mapping Technologies
- ▶ Facilities Waterway Management with a Web-based Mapping System
- ▶ Explosives Safety Siting
- ▶ GPS Height Modernization
- ▶ A/E Contracting
- ▶ Overview of Remote Sensing and Data Acquisition

For more information please visit the Center's Symposium website at https://tsc.wes.army.mil/center_info/symposium/2004symposium.asp or contact Toby Wilson (James.T.Wilson@erdc.usace.army.mil) or Stephen Spangler (Steve.C.Spangler@erdc.usace.army.mil) We hope to see you there!
